- Modern 400 seat auditorium
- Podiatrist
- Massage therapist
- Craft and poetry groups
- Croquet
- Library and computer room
- Village shop
- Bus outings and picnics
- Close to shops, restaurants and transport
- Exercise groups
- Video nights on the big screen
- Chaplain and weekly church services

Frank Vickery Village is a resident-funded retirement village which is run by Wesley Mission. People of all backgrounds and denominations are welcome in this caring, Christian community.

Want to maintain an active, independent lifestyle while enjoying the security and support of community living? Frank Vickery Village offers you an affordable, comfortable place to call home.

Choose from a range of accommodation options from studio units to spacious one or two bedroom units, each surrounded by beautifully landscaped grounds in peaceful, leafy Sylvania. Every unit is appointed with a modern kitchen, bathroom and laundry, all with the added security of a 24 hour emergency call system to on-site staff. It's comfortable, secure, carefree living.

Facilities that downsize your cares

You'll never have to worry about wheeling out the garbage, mowing the lawn, or fixing leaky taps ever again. Village maintenance staff and gardeners are always close at hand, leaving you with more time to do the things you enjoy.

Don't feel like cooking? The village dining room provides delicious meals for lunch and dinner. It's a great opportunity to enjoy good food and good conversation with fellow residents and friends.

If you ever fall ill or are hospitalised, we offer a range of short-term "Flexi-Care" support services to help you recover as soon as possible. Care packages can be tailored to suit your individual needs – we value your independence as much as you do, and will ensure you receive the support you need.

Frank Vickery Village offers personal care in a supportive, Christian environment – giving you and your family peace of mind.

Convenience and comfort

Our village bus service is available to take you shopping to Southgate Sylvania, and the local bus to Miranda and Hurstville is just around the corner. A variety of services are available on-site for your convenience including a hairdresser, visiting podiatrist and massage therapist, resident-operated shop, clinic, and daily delivery of pharmaceutical prescriptions and newspapers.

Take advantage of the Village's many facilities – perfect your game with lawn and indoor bowling greens, enjoy concerts and special events in the 400-seat auditorium, or play a round of croquet with friends.

Your life can be as social or as independent as you wish. Opportunities abound to make friends and play an active role in the local community, or to simply relax and enjoy your own company. Your family can come and visit you at any time, and even stay overnight if they wish. At Frank Vickery Village, we make it easy to get the most out of life.
