- Interdenominational chapel service

Alan Walker Village is a resident-funded retirement village which is run by Wesley Mission. People of all backgrounds and denominations are welcome in this caring, Christian community.

Want to maintain an active, independent lifestyle while enjoying the security and support of community living? Alan Walker Village offers the best of both worlds.

Our spacious one or two bedroom units open onto a generous balcony or courtyard, with features such as garden vistas and a range of garaging options.

You'll find each unit is appointed with a modern kitchen, bathroom and laundry, all with the added security of a 24 hour emergency call system to on-site staff. It's comfortable, secure, carefree living.

Facilities that downsize your cares

You'll never have to worry about wheeling out the garbage, mowing the lawn or fixing leaky taps ever again. Village maintenance staff and gardeners are close at hand, leaving you with more time to do the things you enjoy.

Don't feel like cooking? The Village dining room provides delicious three-course meals at lunchtime. Prefer to entertain at home? A greengrocer delivers a range of fresh fruit and vegetables for you to choose from every week. It's all about flexibility and finding what works for you.

If you ever fall ill or are hospitalised, we offer a range of short-term "Flexi-Care" support services to help you recover as soon as possible. Packages can be tailored to suit your individual needs – we value your independence as much as you do, and will ensure you receive the support you need.

Alan Walker Village offers personal care in a supportive, Christian environment – giving you and your family peace of mind.

Convenience and comfort

Our Village bus service is available to take you shopping to Carlingford Court and Eastwood shopping centres, and public transport is close by. A variety of services is available on-site for your convenience including a hairdresser, visiting podiatrist, clinic with a registered nurse, and daily delivery of pharmaceutical prescriptions and newspapers.

Enjoy the Village's resort style facilities – keep fit and active in the indoor heated pool and spa, expand your horizons with monthly coach trips, or perfect your game on the indoor bowling green.

Your life can be as social or as independent as you wish. Opportunities abound to make friends and play an active role in the local community, or to simply relax and enjoy your own company.

Your family can come and visit you at any time, and even stay overnight if they wish.

At Alan Walker Village, we make it easy to get the most out of life.
