## DISCLAIMER

As part of Wesley Mission our centre is committed to Serving People, Building Hope, and Honouring God.

At all times our leaders are encouraged to preach the Gospel and if needed to use his words. For this reason, prior to camp leaders are encouraged to consider questions such as:

- How and why I became a Christian?
- How am I currently growing as a Christian and how do I share Christ with others?
- How would I explain to someone what a Christian is?
- If a camper asked "what must I do to become a Christian?" - how would I respond?

Although Christian camping is unique, it provides opportunities to foster other developments common to secular camping such as physical and social development through community living, structured activities, and discussion groups. It aims to develop activity skills, cooperation skills and responsibility for decision making including personal health and hygiene. Above all we aim to provide a positive, caring environment in which young people are accepted as worthy individuals.

If you have any questions, please contact the Holiday Camps Department on 02 9655 2600.

I understand that I will be a volunteer and that there is no remuneration either in goods, kind or money whatsoever for my volunteer services.

I have read the above disclaimer and agree with the philosophy. I will seek to follow them as a leader with Vision Valley's camping Ministry. I am willing to serve under the leadership of the Camp Director and Vision Valley's full-time Programme Staff. I understand that leadership involves commitment to leadership training, team meetings and follow-up meetings. I declare all information given by me to be true to the best of my knowledge.

## STATEMENT OF FAITH

Our Camping Programme Ministry aims to present the Lord Jesus Christ so that campers may have the opportunity to have a personal relationship with Him. It is essential that all volunteers share the same aims and faith as stated below.

- The unity of the Father, Son and Holy Spirit
- The sovereignty of God
- The divine inspiration and trustworthiness of Holy Scripture and its supreme authority in all matters
- The sinfulness and guilt of all mankind since the fall, rendering them subject to God's wrath and condemnation
- The bodily resurrection of Jesus from the dead, and his ascension to the right hand of God the Father
- The necessity of the work of the Holy Spirit, leading us to repentance and faith in our Lord Jesus Christ
- The justification of the sinner by the grace of God through faith in Christ alone
- The indwelling and work of the Holy Spirit within the believer
- The one universal Church which is the Body of Christ, and to which all true believers belong
- The expectation of the personal return of the Lord Jesus Christ
