3. Policy statement

Wesley OOSH sets fees in accordance with its annual budget in order to meet the income required to develop and maintain a quality service for children and families. Wesley Mission ratifies the budget annually, or as required, and monitors it carefully throughout the year.

Family responsibilities

The following outlines how fees can be paid.

- Fees must be paid prior to your child's first attendance at the centre.
- Upon enrolment, families must pay a bond of two week's full fees.
- Fees are to be paid fortnightly in advance by direct debit of either a bank account or credit card.
- Fees are payable in advance for every day that your child is enrolled at the service. This includes sick days and family holidays but excludes periods when the service is closed.
- Should you wish to end your child's enrolment, or should management make the decision to terminate your child's place, two (2) weeks written notice is required from the ending/terminating party. If this does not occur, two (2) weeks fees will be billed to you.

Child Care Subsidy

- Child Care Subsidy is the payment made by the Australian Government to assist families with the cost of childcare. It is paid directly to the service and passed on to families as a fee reduction.
- Families are required to make a payment to their childcare fees which is the difference between the fee charged and the subsidy amount.
- The service is not directly involved in the calculation of a family's entitlements this is a matter between the family and Centrelink.

- The family is responsible for ensuring that Centrelink has processed their information and they have logged on through My Gov to confirm their enrolment at the service.
- Families should ensure they provide true and complete information to Centrelink for the purposes of claiming Child Care Subsidy. This is a legal requirement of families, and the provision of incorrect information may result in families incurring debts that need to be recovered at a later date by Centrelink and/or the service.
- In the event of a dispute between Centrelink and the family or the failure of Centrelink to make a payment of subsidy to the family full fees are payable until such time as the subsidy is reinstated.
- Full fees will be charged if a child is absent on their last day of care.

Service requirements:

The service shall ensure families receive a statement of payment in a prompt and timely manner.

An invoice/statement will be issued for all fees. This will include the child/children's full name/s, date of care, date of payment, amount, CCS payments etc. If the incorrect amount is paid, a refund will not be given however a credit will be applied to the families account.

Increase of fees

The fees are set by Wesley OOSH in order to meet the budget for each financial year. There will be ongoing monitoring of the budget and, should it be necessary to amend fees, families will be given a minimum of fourteen days' notice of any fee increase.

Overdue Fees

Families who are one or more weeks behind with payment of fees will be contacted to follow-up on non-payment. Families can contact the Wesley OOSH Administration Office to discuss their account. Continual non-payment of fees will put your child/ren's enrolment/s in the Service in jeopardy.
