Wesley OOSH as a vital community link providing care and education for the young people of the local community. We endeavour to be involved in local activities and support this through:

- The distribution of local information including events that relate to children and families.
- Participating in community events including cultural, religious and environmental days.
- Encourage visits from the local fire brigade, police services and other community groups to educate children about vital community services.
- Organise excursions to local community facilities such as libraries, nature reserves retirement villages and other special community places of interest.

In addition to this Wesley OOSH encourages children to input about what events they would like to participate in.
