

Celebrate

Birthday coming up? Recently engaged? Nearly time for a special anniversary? You could use your special day to do all the good you can. Asking your friends and family to consider making a donation to Wesley Mission instead of giving a gift helps us to support the most vulnerable members of our community—and helps you to avoid another year's worth of unneeded candles, bath bombs and photo frames!

Getting started

- Head to Celebrate with Wesley Mission and click 'Start Celebrating' to begin.
- Personalise your page by adding your story, photos and reasons for fundraising.

Setting goals

- Set a fundraising goal that is realistic for the type of occasion and number of possible supporters.

Let everyone know

- Share your Everyday Hero page via email and social media with family, friends, colleagues, sports teams, church and/or community groups.
- Having a party? Download our printable invitation, Facebook event banner and images to share with your friends.
- Prefer to create your own invitation? Here's some suggested wording to include:

If you are thinking of giving a gift, we would rather that you give to those most in need by donating to Wesley Mission. You can donate easily via Everyday Hero (include a link to your page).

On the day

- Spread the word: talk to guests about why you chose to fundraise for Wesley Mission and how they can help.
- Some friends and family may prefer to give cash in person: you can enter this as an offline donation on Everyday Hero.

Afterwards

- Thank everyone who made a donation: this can be done through your Everyday Hero page but it's also good to consider a phone call, email, text message or handwritten note.
- Refresh your Everyday Hero page with updates and photos from your special day.
