

Wesley Youth Resilience Challenge

Learn about the wide variety of challenges that youth face, from young children living with single parents, to children in foster care, youth mentoring, children in our respite centres, disabled youth in day care facilities and the needs of children transitioning into high school.

The group will participate in team activities and ultimately face a fun group challenge of using \$10 to purchase special care packs for young people to help them settle better into their new lives or transition to their new circumstances.

The details of each activity will vary according to the scenario and all purchases are donated to Wesley Mission for youth in care.

What we need from you?

An open heart to learn more about the stress youths experience and a challenge that responds to their specific needs.

How many volunteers?

Groups of 20 – 100+

How long will it take?

Half day 10 am – 1 pm or 2 – 5 pm

How will you make a difference?

Bring a smile to the faces of children of all ages, help extend their education and remind them that there are people out there who care.

Cost

Costs will be quoted when full details and numbers are confirmed.

To discuss a volunteering opportunity that fits your group, call (02) 9263 5551 or email us on volunteering@wesleymission.org.au
