### About the course

This program offers employees within disability services the opportunity to gain a qualification and further experience supporting adults within the care sector.

\*Course duration may be reduced dependent upon industry experience.

## Who should enrol

Passionate and caring individuals seeking the opportunity to receive accredited training in the care sector. Applicants should possess a calm, patient nature and should be capable of operating within a team as well as with some independence.

## Learning outcomes

Successful completion of this course will enable you to gain a nationally accredited qualification in an industry which offers a broad range of employment opportunities.

## Attendance, study load and student support

You will be required to:

- Attend all scheduled classes, workshops and simulated activities (6 - 12 hours per unit of competency spanning 16 months);
- Participate in online e-learning and assessment;
- Undertake theory and practical assessment activities (up to an average 20 - 25 hours per unit of competency);
- Undertake self-paced learning activities over 16 months of the program, including individual research in your own time (estimated at 8 - 10 hours per unit of competency for the average learner).

Details and expectations on activities will be provided in individual training plans. Student support is available prior to and at the end of each session. Scheduled support sessions will also be available.

## Work experience/placement

Complete a minimum of 120 hours of workplace evidence from current employment hours.

## Assessment

Assessment will include a range of activities such as written tasks, oral questions and skills demonstration within a simulated and/or actual work environment.

N.B. Students need to be aware of, and consent to video record themselves for the purpose of gathering and submitting workplace assessment evidence relating to specific performance tasks.
