lives lost to suicide

Wesley LifeForce Suicide Memorial Service  
Adelaide 2024

Uniting Church resource pack

## *About Wesley Mission, Lifeline and Wesley LifeForce*

Former Wesley Mission Superintendent, Rev Alan Walker, founded Lifeline (1963) and Wesley LifeForce (1995) in response to the overwhelming demand for suicide prevention services in Australia.

For over 60 years, Wesley Mission has been delivering suicide prevention services, education and crisis support to people across the country.

Our suicide memorial services are an opportunity for those impacted by suicide to come together with a supportive community that shares the experience of bereavement.

It's a time to reflect, grieve and share their lived experience and messages of hope in a safe space without fear of stigma. Counsellors are present at all services for support.
